

Historic Sportscar Racing (HSR) has five (5) year-long series in which points are awarded and which crowns a series champion at the end of the year. These Series and the eligibility for each are as follows:

- WeatherTech Sprint Races:
  - All sprint race classes, except those designated with an “X”, are eligible for points in the WeatherTech Sprint Races.
- B.R.M Chronographes Endurance Challenge
  - For the eligible class list, please refer to the 2022 Race & Enduro Classes document.
- SascoSports International American Challenge
  - For the eligible class list, please refer to the 2022 Specialty Race Eligibility document.
- Classic RS Cup
  - For the eligible class list, please refer to the 2022 Specialty Race Eligibility document.
- Stoner Car Care Global GT
  - For the eligible class list, please refer to the 2022 Specialty Race Eligibility document.

All classes designated with an “X” are ineligible for points, podiums or other awards.

In general, points will be distributed as follows for each series:

- 10, 8, 6, 4, 3, 2, 1 Points will be based on your CLASS finishing position within the Run Group, not for your overall Run Group position. You must complete at least 50% of the winner’s laps in your Group-to be eligible to receive class finishing points.
- 5 Points (Starting Points) Starting the Sprint Race (defined as being listed on the official results as completing one (1) lap).
- 10 Points (Finishing Points) Finishing the Sprint Race (must complete 50% of the overall winner’s laps to be eligible to receive finishing points).
- Enduro Bonus Sprint Race 2 Participation - 2 Points for starting and 3 points for finishing the Sprint Race 2.
- Participation Bonus 5 Points for registering for and participating in all scheduled 2022 HSR events. Not required to participate in all scheduled events within an event weekend.

*\*\* Bonus points will not be awarded for overall finishing position \*\**

*\*\* No Enduro Bonus Points will be awarded at Season Finale \*\**

*\*\* No class designated with an “X” will be eligible for points in any series \*\**

## 2022 Series Point Guidelines

Revised: 03/08/2022

### **WeatherTech Sprint Race Series B.R.M Chronographes Endurance Challenge SascoSports International/American Challenge Stoner Car Care Global GT**

In 2022, there are six (6) race weekends available for those who are eligible to earn points:

- Sebring Spring Fling
- The Mitty
- Barber Historics
- Fall Historics
- Daytona Historics
- Sebring Historics

The best five (5) race weekends will be used to determine the overall winner. This gives each driver who competes in all six (6) events the ability to drop one (1) race weekend. Drivers may not drop a race weekend in which they are disqualified due to a technical or driving infraction.

### **Classic RS Cup**

In 2022, there are five (5) race weekends available for those who are eligible for points:

- Sebring Spring Fling
- Barber Historics
- Fall Historics
- Daytona Historics
- Sebring Historics.

No drop race weekend available in Classic RS Cup.

### **How Points Will Be Awarded**

Points will be awarded to the car and driver (combined) as listed on the entry form. Drivers will be allowed to change cars within the season and still accumulate points, if the replacement car is in the same class as the original car.

### **Tie Breakers**

In the event of a tie at year end, the following tie breakers, in this order, will determine the results:

1. Most Class Wins
2. Best average finishing position
3. Most events entered

The overall winner of each B.R.M Chronographes Endurance Challenge will receive one (1) limited edition B.R.M Chronograph designed specifically for HSR.
