### NOTES:

- Track Orientation Program participation requires separate Test Day entry.
- Entry deadline for B.R.M Endurance Challenge Races is 10am on Saturday, June 8.
  - You may enter by notifying Registration or Jack Woehrle in Tech.
  - Those who enter after the posted deadline will start at the back of the field.

### REGISTRATION

Registration will be in the building (trailer?) just inside the entrance to Gate 3.

Please ensure that your crew and/or guests are aware of the Registration hours, they will need to sign a waiver to receive their credentials prior to entering the facility. Each credential must be signed for by the individual to whom the credential is assigned.

Minors may not be assigned Crew credentials.

### STAGING AND LOAD-IN

- You may begin staging in Lot 3 on Monday, June 3 at 9:00am. Please follow the directions of track personnel.
- Paddock Load-In will begin on Wednesday, June 7. If you arrive prior to load in time, you will be directed to Lot 3 for staging.
- Truck and trailer combinations that can utilize the tunnel will do so. Semis and those that are too low to fit through the tunnel will cross the track during the lunch period and again at the end of day activities.
- Competitors paddocking in the garage area will not be able to load-in until the end of the day as the garage area is being used by the track renter. Competitors paddocking outside the garage area and who can successfully navigate the tunnel, may load-in after 11:30am.

- The tunnel height is 13.5'. Vehicles that are too tall or trailers with a low belly, will have to enter the paddock by crossing the track. Track Security personnel will coordinate track crossings.
- Please be respectful of your paddock neighbors. There are some power hook-ups available, these are all on a first come/first served basis.

### PADDOCK AND GARAGE INFORMATION

- Garage parking credentials are limited to two (2) per car paddocked in the garage area. The Primary Driver or Alternate Primary Contact should advise Registration who is to receive each garage parking credential. Please consider your crew when deciding who is to receive garage parking credentials and ensure they are aware of this restriction.
- The Primary Driver or Primary Contact may assign Garage Parking for those paddocked in the garage area.
- There is a \$50 fee to plug in to electricity. This is managed by and paid to Track personnel. They will come by to collect this fee if you are plugged in to an outlet. Please cooperate with all track personnel.
- **Garages are assigned by HSR.** If your team has not been assigned a garage, please do not move into one ... you will be removed.
- Fire regulations prohibit propane tanks, empty or filled, in the two main paddock areas. If a team is bringing a travel trailer or motor home to use, the team must pit in the satellite compound paddock or D/O RV lot.
- **There is no fueling or running of engines inside a garage.** If a team needs to refuel or warm up an engine, the car must be moved outside of the garage stall to do so.
- Fire Extinguishers, provided by each team, shall be placed in every garage stall in case of emergency.
- No stakes may be driven into any asphalt or concrete.
- Do not argue with Watkins Glen International Security or other personnel.
- All waste must be disposed of properly.
- Used tires, batteries, equipment, and empty fuel drums are each individual team's responsibility. The simple rule is: If a team brought it in...then that team must take it out. Failure to do so could result in fines, suspensions, and increased costs to everyone.
- No open-toed shoes allowed in the Pit Lane area.
- No shorts or sleeveless shirts are allowed in the Hot Pit Lane.

### TEST DAY:

Mandatory Test Day Drivers' Meeting at 7:30am on the second floor of the Media Center. You will receive a helmet sticker at this meeting. If you wish to sign up for the Test Day that morning, please see Jack Woehrle at Tech. He will manually add you to the appropriate Test Day group.

### TRACK ORIENTATION PROGRAM

HSR offers our Track Orientation Program at this event. Led by multiple championship-winning driver and HSR's Competition Director, Dorsey Schroeder, the Track Orientation Program offers those who are at Watkins Glen for the very first-time valuable insight that otherwise only comes with many miles of track time. The TOP will also provide the returning competitor a refresher course on this challenging racetrack. The TOP is conducted on the Test Day and requires an entry to the Test Day.

There is a mandatory Track Orientation Program Meeting at 7:30am on Thursday, June 6 on the second floor of the Media Center.

ONLY those registered in the Track Orientation Program may participate in the Van Rides! No exceptions.

### ENTRY DEADLINES:

The deadline to enter either of the B.R.M Chronographes Endurance Challenge races (one-hour Enduros) is noon on Saturday, June 8. You may enter the Enduros after this time, but you will start at the back of the field. Contact Jack Woehrle in Tech or Registration to enter the Enduro.

### DRIVER/TEAM RVs

Any RV that is NOT the tow vehicle for the race car trailer may not be parked in the Paddock. RVs will be parked in the RV Lot between Pit Lane and the Paddock. There are electrical and water hook-ups at this location. RV reservation is \$450 for the event. Please contact Madeleine Bush ([mbush@nascar.com](mailto:mbush@nascar.com)) or Cyndy Burrows ([cburrows@theglen.com](mailto:cburrows@theglen.com)) to reserve your RV spot.

## TECH:

Tech Inspection will be set up in Garages 1 and 30. You have all day Thursday to get through Tech. All cars must present their Group Sticker on the Grid beginning Friday morning.

The tech sheet for your entry will be at Tech. Your tech inspection must be completed to receive your Group Sticker(s). If you need to present your car for its annual tech inspection, please present your car with the car's logbook to the Tech Inspector. It is your responsibility to see that your car is prepared properly and is safe to race.

## DRIVERS' MEETINGS:

Attendance is mandatory for all drivers. You will receive your helmet sticker at these meetings. If you you're your meeting(s), you must see Dorsey Schroeder for review of information provided at meeting and to receive helmet sticker.

- **Test Day/Track Orientation Program** mandatory drivers' meeting is Thursday, June 6 at 7:30am
- **HSR Prototype Challenge** mandatory drivers' meeting is Thursday, June 6 at 5:30pm
- **WeatherTech Sprint Race** mandatory drivers' meeting is Friday, June 7 at 12:00pm.
- **Classic 6 Hour** mandatory drivers' meeting is Friday, June 7 at 5:30pm.

## SCHEDULE

The scheduled time for each run group is NOT the time to get to the grid! It is the time your group is leaving the grid. Bring your cars to the False Grid Area 10 minutes BEFORE your session begins.

All sessions will leave from the False Grid.

Notes & Special Conditions			
All cars may run the tires that are legal in their regular HSR race group, regardless of the 6-Hour group in which they are classified.			
Certain "Unspecified" cars, formula cars and stock cars are not eligible for the Classic 6-Hour of The Glen.			
Entries will be classified as deemed appropriate by HSR regardless of listed definitions.			
Modern cars must have been Homologated for a Pro racing series such as IMSA or the FIA prior to 2020 and must be retired from any Pro-racing series. Similar cars not having official Homologations will be considered on a case-by-case review. When in question, it is the responsibility of the entrant to provide accurate documentation.
