Specialty Race Eligibility ~ 2025

Published 2/21/25

Sasco Sports International Challenge:

This race is open to all production-based cars, normally running in Groups 2, 3 and 5. Sports racers, cars running slicks or "X" class cars are not eligible. There will be three podiums: American, International (Foreign Cars), and Porsche.

Global GT Series:

Global GT is composed of cars that might have competed in the IMSA and FIA GT Championships for grand touring cars competing in the GT1, GT2, GT3 and GT4 categories, Grand Am GT, ALMS GT, as well as the various "Cup" and "Challenge" series cars. In addition, HSR may invite suitable similar cars from other venues. These cars normally run in Groups 9, 10 and 11. Cars newer than 2020 and other "X" class cars are not eligible.

- These races are open to all eligible cars at each regular HSR event. If you are entered in the WeatherTech Sprint races, you are automatically entered in the appropriate specialty race.
- You do not need to register or even tell anyone. You simply need to be on the grid at the scheduled time.
- Each of these races has identification stickers that are available at tech. Please don't forget to ask for these if you don't already have them.
- If you are eligible, it will be noted on your tech sheet.
- Each one of these specialty series will have yearend awards.
